BLAST OFF

HEY KIDS!

Last week we learned how Moses' Mom trusted that God would protect him when he was a baby. Today we meet Moses many years later. This is the story of Moses and the burning bush. God had a message for Moses and wanted to use Moses in his master plan to rescue the Israelites even though he had made some big mistakes. God also wants to use us too!

There is a drawing activity for you to do during the clip. This is for those who prefer to colour instead of dance or find it easier to focus. Why not draw Moses and a burning bush?

Let's talk!

1. How do you think Moses felt when he saw the burning bush?
2. When God was talking to Moses, what was he sad about?
3. What excuses did Moses come up with?
4. God promised he would always be with Moses. How did God help Moses to do the job he asked him to do?

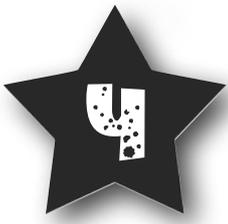

Interactive

Moses did something really bad but God still wanted to use him in his master plan to free the Israelites. We all do things we should not do... BUT God still wants to use us in his master plan to show the whole world about His love and forgiveness.

In one of my favourite verses in the Bible – John 10 v 10 – Jesus said "I have come to give you everything in abundance, more than you expect, life in its fullness until you overflow."

Your task is to come up with ways that you can help God in His master plan. I would love it if you wrote or drew these on paper and sent me a picture.

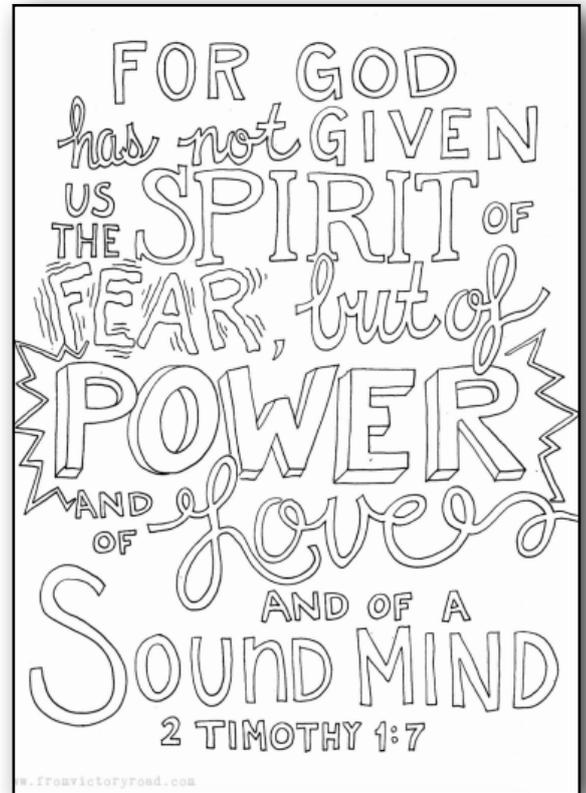

Activity

Memory Verse Game

2 Timothy chapter 1 verse 7

1. Write the memory verse on a piece of paper.
2. Cut it up word by word.
3. Put the words back in order.
4. Read the verse with someone in your family and one by one take a word away.

Can you still remember it?

SEE YOU SOON!

Thanks for joining us today – on behalf of myself and Arise Church we hope you had a great day!

God Bless you and see you soon!
