BLAST OFF

HEY KIDS!

Last week we learnt about how God saved the Israelites from the Egyptian army by parting the Red Sea for them to escape from being slaves. Today is our last in the series and we are going to look at when God gave Moses the Ten Commandments.

There is a drawing activity for you to do during the clip. This is for those who prefer to colour instead of dance or find it easier to focus. Why not make your own memory verse poster?

Let's talk!

God wants us to live amazing lives and we can only do this if we do it according to His rules. Imagine playing football where players could pick the ball up with their hands, or they could use cricket bats to hit the ball, or if the motorcars drove on any side of the road or even on pavements! It would be awful! In a similar way, if we choose to break the commandments, we will ruin our lives and the lives of others.

In Luke 10 25-28 a person asked Jesus how he could get to heaven. Jesus answered:-

"You shall love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind, and your neighbour as yourself." And Jesus said..."do this, and you will live".

When we put God first, we will want to please Him by following His commandments. They are there to protect us and to make sure that we live the best life that God intended for us.

1. How do rules help us at school or playing games?
2. How do God's rules help us?

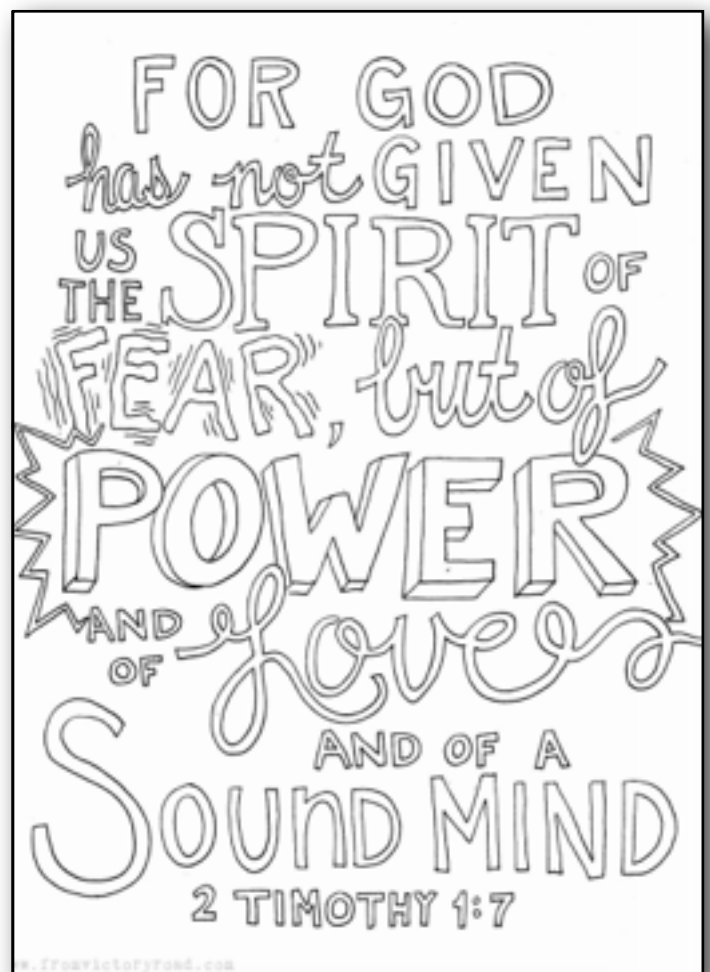

Interactive

Can you write or draw as many of the commandments as you can on a sheet of paper?

This will help you to remember them in the future.

Memory verse: 2 Tim 1 v 7

Activity

The fifth commandment says that we need to honour our parents.

As this is Father's Day, could you make today really special for your parents/carers by making them a card or medal to wear?

SEE YOU SOON!

Thanks for joining us today – on behalf of myself and Arise Church we hope you had a great day!

God Bless you and see you soon!
